

CCS CAPSTONE PROGRAM

Progress Report

Project Name: Data Security Health Map

Date: 10/29/2017

Project Manager: Joel A Ulahanna Sponsor: Castle Ventures

Are you using some sort of online communication system, if so which?

GroupMe, SharePoint

How regularly do you meet with your group?

| Date? | Time? | Number of attendees? |
|------------|-----------|----------------------|
| 10/18/2017 | 1:30-4:30 | 4 |
| 10/25/2017 | 1:30-4:30 | 4 |

When and where are your next two meetings with your sponsor?

1st Nov, at the head Office of Castle Ventures.

8th Nov, at the head Office of Castle Ventures.

What task have you accomplished since the last sprint/progress update?

| Task | Date Started | Date Completed |
|--------------------------------------|--------------|----------------|
| Set up Server to work on the web app | 10/18/2017 | 10/20/2017 |
| Set up SQL Server | 10/18/2017 | 10/22/2017 |
| Creating the Database | 10/18/2017 | 10/22/2017 |
| Creating mock web pages | 10/11/2017 | 10/18/2017 |

What tasks were planned but not accomplished?

- Converting quantitative values to Graph and display on a web page
- Host the web pages created on the server that is set up

What obstacles are you finding whilst working on your project? How do you plan on managing them?

We have not faced any obstacles yet.

Please assess each of your group members on the following areas. (1 being poor and 5 being excellent)

| Team Member | Dedication | Collaboration | Performance |
|-------------|------------|---------------|-------------|
| Aditya | 5 | 5 | 5 |
| Varun | 5 | 5 | 5 |
| Viral | 5 | 5 | 5 |
| Joel | 5 | 5 | 5 |
