

CCS CAPSTONE PROGRAM

Progress Report

Project Name: Data Security Health Map

Date: 11/12/2017

Project Manager: Joel A Ulahanna Sponsor: Castle Ventures

Are you using some sort of online communication system, if so which?

GroupMe, SharePoint

How regularly do you meet with your group?

Date?	Time?	Number of attendees?
11/8/2017	1:30-4:30	4
11/9/2017	1:30-4:30	4

When and where are your next two meetings with your sponsor?

15th Nov, at the head Office of Castle Ventures.

16th Nov, at the head Office of Castle Ventures.

What task have you accomplished since the last sprint/progress update?

Task	Date Started	Date Completed
how to manage the issues with having different types of users	11/1/2017	11/8/2017
Create all the web pages	11/1/2017	11/8/2017
Set up the web server to host the web site	11/1/2017	11/9/2017

What tasks were planned but not accomplished?

- Not completed some of the web pages like the Admin page and Analyst page
- Converting quantitative values to Graph and display on a web page

What obstacles are you finding whilst working on your project? How do you plan on managing them?

We have not faced any obstacles yet.

Please assess each of your group members on the following areas. (1 being poor and 5 being excellent)

Team Member	Dedication	Collaboration	Performance
Aditya	5	5	5
Varun	5	5	5
Viral	5	5	5
Joel	5	5	5
